

In the Spotlight...

Our Mission – Ingersoll Land Care is driven by a commitment to provide professional land care in a manner that reflects our enthusiastic dedication to integrity, creativity, sustainability, and quality of product and service, and that supports and enriches our team, our associates, our clientele, our environment, and the greater community.

Our Background – 2017 marks the 25th season in business for principal Tom Ingersoll, who grew up on Sky Farm in Sheffield. Tom operated John C. Ingersoll, Inc. from 1993 through 2001, and partnered in Webster Ingersoll from 2002 through 2011. Ingersoll Land Care continues to provide a holistic approach to landscape contracting, with an emphasis on low impact and organic methods.

Our Blueprint for Success – Education, Communication, Reputation. Protecting, beautifying and enhancing outdoor habitats for all. One landscape at a time.
